Foreword

Our high school days are filled with cherished memories. Some you remember better than others, such as that important game you wanted so much to win, your first school dance, the class parties and picnics, the thrill of being a senior, and at last the wonderful feeling of accomplishment when that coveted diploma is placed in your hand.

To help remember these special moments, we present to you, the student body of Livingston Central High School, the 1963 Livingstonian.

The Annual Staff

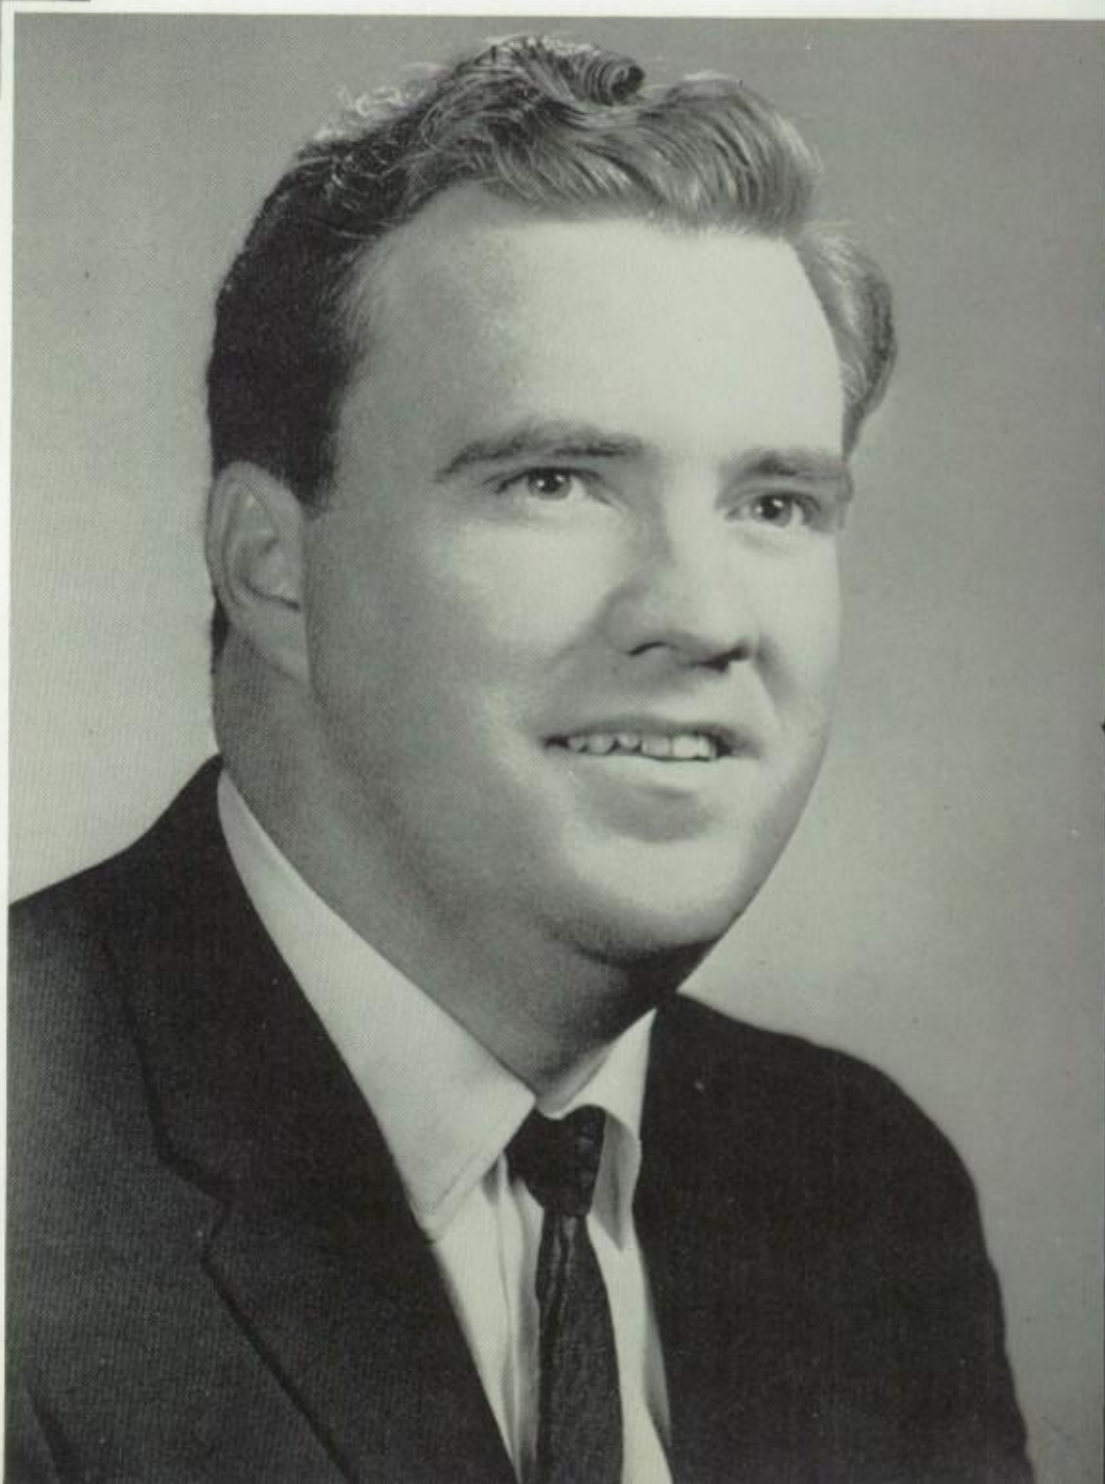

We, the class of 1963, proudly dedicate our "Livingstonian" to Mr. George Whitecotton, for whom we hold such high regard, as a coach, a teacher, and a friend.

In Appreciation

We, the Senior Class of 1963, want to express our appreciation to our sponsors for their assistance, guidance, patience, and thoughtfulness. Each of us sincerely extends his fondest thanks and best wishes for the future.

MRS. JENNY BUSSEY - MR. KENNETH CROTSER

The Student Council is the Number One organization of the school. Its principal purpose is to bring about better relations between students and faculty. It helps decide school policies and contributes in many ways to the welfare of the school. The officers are elected each spring by the students, and representatives of classes and organizations are chosen in the fall. Each month the Council chooses a "Citizen of the Month" to help promote citizenship. To belong to the Student Council is a coveted honor, and its membership usually consists of the outstanding students.

The Livingston Central Chapter of the National Beta Club, an honor society, has sixty-nine members. To become a member, a student must have a standing of 2.2 (B+) and be recommended by the principal. Only Seniors, Juniors, and Sophomores are eligible for membership. The club operates the concession stands at ball games and with the proceeds buys needed equipment for the school. The Beta Club's chief purpose is to render service and foster leadership. Its members are expected to serve, both in the school and in their respective communities. Beta members are the future leaders of our society.

H. ALLEN MIDDLETON - RAY FOWLER

The Future Farmers of America, or "FFA" as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Education Acts.

Contrary to the thinking of many people it does not attempt to teach boys the improved methods of farming; its primary purpose is to develop agricultural leadership, citizenship, and cooperation among its members. The aim of developing agricultural leadership among farm boys led to the formation of the FFA in November of 1928.

7.7.A.

The motto of the FFA is as follows:

Learning to do

Doing to Learn

Earning to Live

Living to Serve

As a means of carrying out the meaning of the above motto, FFA members advance in their organization according to their own efforts. The Freshman members on the opposite page are designated as Green Hands. The members pictured above are Chapter Farmer members who have achieved higher goals. Eight out-of-school members of the chapter hold their Kentucky Farmer degree.

Pep Club

The Livingston Central Pep Club has been organized to promote or provide these opportunities to our students; 1. The development and practice of fair play and good sportsmanship. 2. An opportunity to cause our student body to demonstrate the spirit it has for our school and its team. 3. To provide leadership for those who desire to acquire it. 4. To learn to be gracious in defeat as well as in victory. 5. To support and uphold our teams in defeat as well as victory.

Chorus

MRS. PAULINE STRINGER, Director

The newly organized chorus at Livingston Central High has approximately 110 members and is under the direction of Mrs. Pauline Stringer. This group gave a Christmas concert as well as several assembly programs and participated in musical events with other choral groups.

We feel that the chorus has added very much to the cultural program of our school as well as inspiring and entertaining the student body.

Band

"Music is the gentle beat of the great heart of the world." The music of the Livingston Central Band is the gentle beat of the great heart of Livingston Central High School. The band was re-organized in June, 1962, under the direction of Mr. Gary C. Rudolph. It now has fifty-three members. The band provides entertainment for the school and participates in many worthwhile functions.

Pep Band

Director

MR. GARY RUDOLPH

Let's swing with the Livingston Central Pep Band! This small band consisting of largely brass instruments was organized in October, 1962. There are twenty-five members in the pep band. The purpose of this band is to provide lively music at all home ballgames and to assist the pep club in the backing of our ball team.
